

National Initiative for School Heads' and Teachers' Holistic Advancement (NISHTHA)

Continuous opportunities to teachers for self-improvement and to learn the latest innovations and advances in their profession in multiple modes

Teachers truly shape the future of our children and therefore, the future of our nation. The motivation and empowerment of teachers is required to ensure the best possible future for our children and our nation.

Register in DIKSHA with Email ID/ Mobile number

Access the course using course link or QR code

Access Course Resources

- * Watch videos
- * Read the text
- * Do the activities

Attempt Quiz, score 70% (maximum 3 attempts) and get certified

Features of Online Courses

Text Resources

Interactive and Reflective Activities

Additional Resources

Quiz for Assessment

Digital Certification

Explanatory and Demonstration Videos

Objectives of the Course

NISHTHA (ECCE) aims at achieving the major objectives of ECCE based on the recommendations of NEP 2020 as follow

- Orient the master trainers of Anganwadi workers/ Preschool teachers.
- Make the master trainers aware of pedagogical practices meant for the ECCE stage.
- Ensure that all the Anganwadi workers/ Preschool teachers follow the play and activity-based approach that will prepare children for class-1.
- Provide strategies for the holistic development of young children through developmental goals.
